

423 - UNIV RADIATOR PETCOCK SOCKET

Item: 423

Description: UNIV RADIATOR PETCOCK SOCKET

Notes: UNIVERSAL RADIATOR PETCOCK SOCKET Fits petcocks used in radiators, engine blocks, liquid storage tanks, etc. Can be used with 1/4" drive ratchet or 7/8" wrench. O-ring on socket helps hold wrench in place, allows one hand operation. Two slot design allows for use on all types and prevents damage to ears on petcock.
