

AC13472A - 134A ALUMINUM GAUGE SET

Item: AC13472A

Description: 134A ALUMINUM GAUGE SET

**Notes:** This Tool was given an M warranty to encourage replacing individual defective parts rather than sending the entire Gauge Set in for warranty. Obtain a description of the problem the tool is having, a picture of the issue and the Proof of Purchase. The DBR or Matco Customer Service can then contact the Supplier to request a the replacement parts or discuss replacing the entire tool. Contact the Supplier at: (973) 252-9119 NJ289772-PB PLASTIC CASE F/13472A in situations when yellow hose will not thread on tank (30 lb) Call mastercool and ask for adapter 82634-1/2 to remedy.
