

# MAXIMUS 5.0

## REDEFINING THE DIAGNOSTIC EXPERIENCE.

**100%  
MORE  
STORAGE!**

**50%  
MORE  
MEMORY!**

versus previous generations,  
ensuring you have ample  
space to deliver fast  
results without slowing  
down performance.

# MAX5

The Maximus 5.0 is the most powerful scan tool in the Maximus family, providing lightening-fast performance for optimal efficiency during the diagnosis and repair of a vehicle.

Designed and engineered with cutting-edge technology, delivering a combination of automotive intelligence, quick navigation and ergonomic handling for optimal efficiency.

# MAXIMUS 5.0

## Advanced technology. Unique features. Best-in-class user experience.

**Blazing Fast Scans.** Multi-module scanning enables multiple modules to gather data at the same time, producing high speed health reports.

**Cutting Edge Touchscreen Technology.** Stunning, anti-glare, 13.6" OLED 2560 x 1600 high-definition touchscreen display for ultra clear viewing in any environment.

**VCI.** Built-in J2534 pass-through device to flash with a laptop in-house.

**Ultra Durability.** Scratch resistant Gorilla® Glass with an IP65-rating, features an internal military grade, alloy metal for superior protection against falls and other exposures such as rain, oil and dirt.

**TECH 2 TECH Support.** Technicians can diagnose and fix vehicles, even from thousands of miles away.

**Automatic Updates.** Receive the latest software in a flash to effectively and accurately accelerate the diagnostic repair process with confidence.

**Intuitive User Interface.** The redesigned user interface offers an incredibly user-friendly experience and additional resets, ensuring you can navigate and access the features you need quickly.

**Top of the Line Ergonomic Design.** 360° rotational handle with kickstand provides comfortable handling even for long periods of time.

### Complete Diagnostic Package.

The most powerful member of the Matco diagnostic family includes a 4-channel oscilloscope, Bluetooth™ battery analyzer, Code Assist, Maximus Fix, Maximus FixHD\* and heavy-duty connectors\*.

\*Included with MDMAX5CLHD only.
