

# HIGH PERFORMANCE FOR A LOW PRICE

UTILIZES THE INDUSTRY'S  
FIRST PATENTED PAY-AS-  
YOU-GO SOFTWARE  
SUBSCRIPTION SERVICE.

The MDMAXMEA is a new, improved wireless based Android™ scan tool. Features a powerful 8 core processor for blazing speed. High-res touch screen for more vibrant viewing and new technology Bluetooth VCI dongle. Customize your coverage with a pay-as-you-go software subscription service.

**High resolution rear (8.0 MP) and front cameras** – Take videos and save, print and share pictures. Includes auto-focus with **flashlight**. Optical Character Recognition (OCR) technology supported, which electronically converts images of typed, handwritten or printed text into machine-encoded text; enables better VIN scans.

**Upgraded open Android™ operating system** – Enjoy a true tablet experience with the ability to install third party apps via the Google Play Store.

**One-click, lightning fast updates** – Car lines updated in as little as 5 seconds. Weekly Wi-Fi updates are included with your subscription purchase.

**Includes new USB port** – Expand your capabilities by connecting add-ons, such as a videoscope, with the new USB port.

**Extensive model coverage with monthly subscription.**
