

MST204 - 2 ARM INNER RACE PULLER

PARTS BREAKDOWN

MATCO No.: MST204
KUKKO No.: 204-V

Item: MST204

Description: 2 ARM INNER RACE PULLER

Notes: Puller hooks are specially hardened and smoothed. When the tension clamp is tightened, the pulling jaws grip below the part to be removed and loosen it before the actual removal process. Clamps increase the pressure of the hooks significantly.
