

FIREWOOD RACK

Prior to assembly, please read carefully. Retain these instructions for future reference.

WARNING

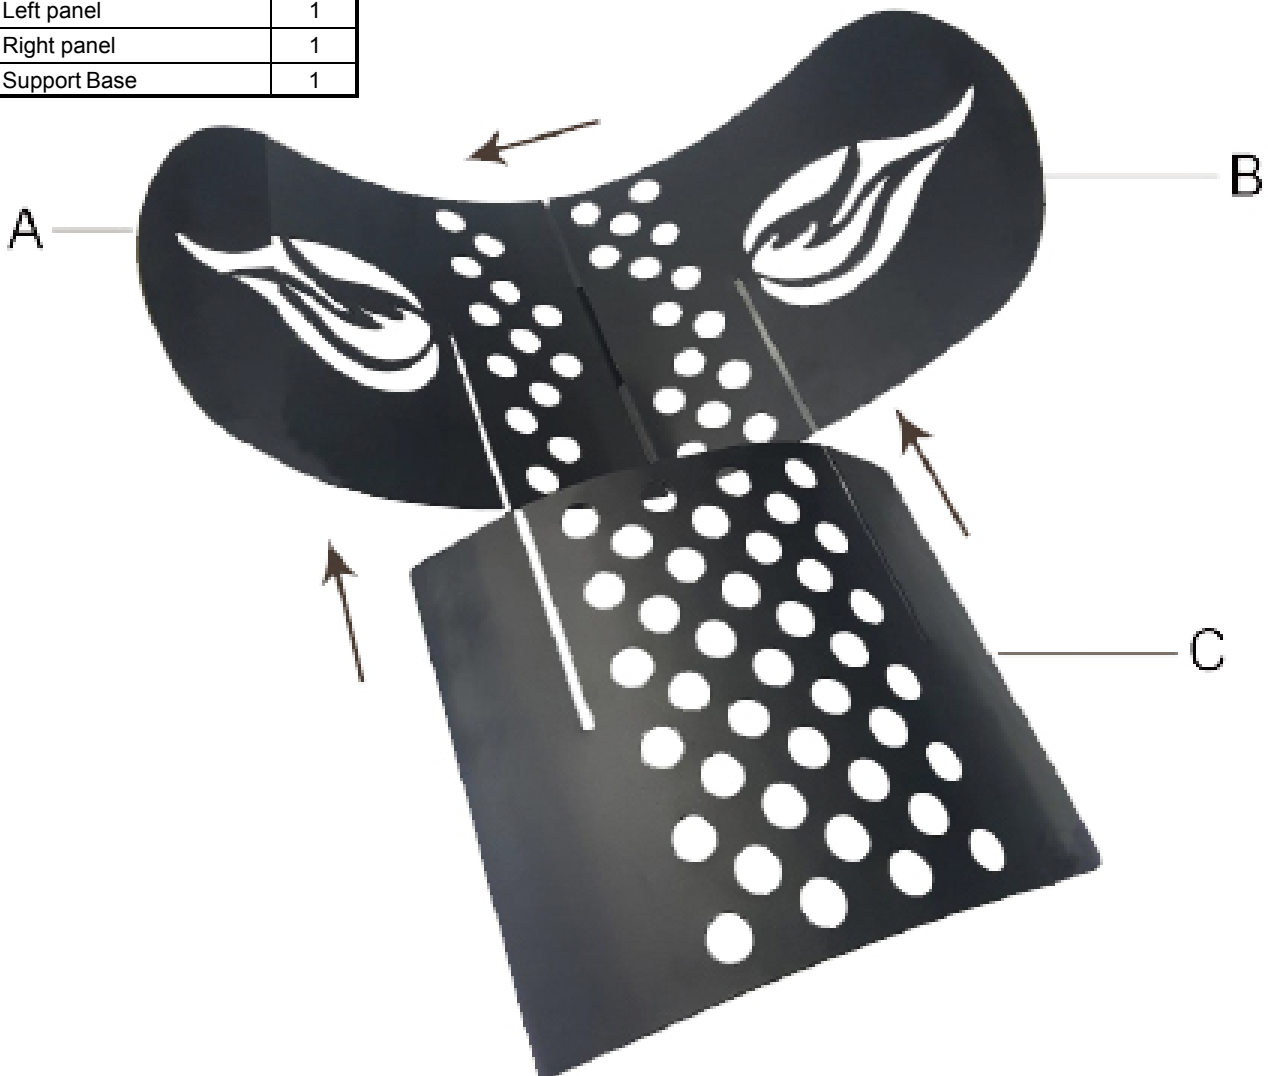

• Read before assembly. • Always wear approved eye protection and protective gloves when assembling this rack. • Use CAUTION when assembling. • Assemble on a soft surface so as to avoid scratching the paint. • Do NOT use this until it is COMPLETELY assembled and all parts are securely fastened and tightened. Do NOT force parts together, as this can result in personal injury or damage. • DO NOT overstack wood. DO NOT stack wood beyond the height of the rack. • Choose the location of your firewood rack carefully. The rack is designed to be used on flat surfaces and should not be used on uneven or inclined surfaces. • Rack can tip or fall causing damage or personal injury. • Do not stand on or step into rack. • Keep children away from rack. • This item contains small parts which can be swallowed by children. • DO NOT install on, over or near electrical wires or outlets. Check for roof lines or other structures that could shed snow, ice or excessive run off before positioning the firewood rack. • Do not discard any of the packaging until you have checked that you have all the parts and pack of fittings. • Failure to heed these warnings may result in personal injury and/or property damage.

Assemble Left Panel (A), Right Panel (B) and Support Base (C) as below shows

Part list:

NO.	Parts	Qty.
A	Left panel	1
B	Right panel	1
C	Support Base	1
