**MTCMINISPKR****Charging the battery**

1. Insert the charging cable into the Micro USB input port, connect the USB plug into a 5V USB power terminal. The charging LED indicator will turn on.
 2. After charging is completed, the LED indicator will turn off.
- Note:** When music becomes quieter and you hear the warning tone, please charge this speaker.

Bluetooth pairing for music / phone call / camera remote shutter

1. a. Turn on the speaker by pressing "⏻" button for 3 seconds. The speaker will have a voice prompt and blue indicator will flash.
b. Stereo mode (only for two speakers): Power on two MTCMINISPKR. Double press "⏻" on one MTCMINISPKR. Connected prompts are heard once the speakers are paired successfully, then the main speaker will blink and secondary speaker will light up. After the first pairing, the MTCMINISPKR will connect automatically when you turn them both on.
2. Turn on your device and activate the Bluetooth function.

**MTCMINISPKR**

3. Search for Bluetooth pairing name "CRY5" and click to pair. The speaker will pair automatically and will have voice prompts. You will now be able to play music. Press "⏻" button to answer incoming calls.
4. Long press "⏻" button to turn off the speaker.
Note: When turning off the main speaker, both speakers will turn off. When turning off secondary speaker, main speaker will stay on.

Transfer between Selfie mode and keyboard mode

Double click "⏻" button of main speaker to transfer to camera selfie mode. (You'll hear the sound of a shutter click.) When using the camera app click the "⏻" button once and you'll hear a shutter sound while the camera takes a remote selfie. Double click "⏻" button to return to regular / keyboard mode. Then single click of "⏻" button becomes play / pause function for music.
Note: Keyboard mode is the default mode when opening.
