Distributed Exclusively by

HARDWARE & SOFTWARE REQUIREMENTS

- 1GHz or higher Intel or AMD processor
- 2GB of RAM or higher (recommended)
- 19GB of available drive space
- 1 available USB A Port (1.1 or higher)
- Super VGA [1024×768] or higher resolution
- Windows 8 or 10
- Microsoft .NET Framework 2.0
- Microsoft .NET Framework 4.0

PRODUCT INSTALLATION

To initiate installation, place the flash drive in your computer's USB port. This will load the application, and the installation will begin automatically.

***Each flash drive can only be loaded & accessed from a single computer ***

If this does not occur automatically, perform the following steps to manually begin installation:

1. Open your File Explorer and navigate to the Electronic Product Folder on the USB drive.
2. Launch the setup wizard (setup.exe).

NOTE: This may take several minutes.

3. Follow the prompts to complete installation.

PRODUCT REGISTRATION

After installation, you will be prompted to enter a registration code. Please complete these steps to access your code:

1. Email a copy of your Matco purchase receipt to motorcallcenter@motor.com.

NOTE: *You will not be able to complete your registration without completing this step.*

2. Contact MOTOR Customer Service at 1-800-4A-MOTOR (800-426-6867) to receive your code and finalize your registration.

Hours: *Monday through Friday, 7:30 a.m. to 6:00 p.m. ET.*
