

TH492 - SPARK PLUG INSTALLER/REMOVER

Item: TH492

Description: SPARK PLUG INSTALLER/REMOVER

Notes: SPARK PLUG REMOVER/INSTALLER SET Set includes 3-inch and 6-inch starters. Six-inch length is designed for coil-on plug applications and engines with recessed spark plugs. The shorter version is for applications where space is limited. Tools are made of flexible, heat-resistant plastic to reach into recessed areas or over, under and around hot manifolds. Stepped shaft. Non-slip grip.
