

TPCK4 - TRAILER PLUG CLEANER KIT

Item: TPCK4

Description: TRAILER PLUG CLEANER KIT

Notes: The TPCK4 is a 4 pc kit for cleaning 4,5 and 6 round pin, and 7 spade pin towing connections. The handles are color coated. Blue is for 4 & 5 pin connections. This blue cleaner also is used for cleaning the large male and female holes on 6 round pin towing connectors. The Red handle assembly is for cleaning the smaller holes on 6 round pin trailer connections. The two Green handles are strictly for cleaning 7-spade pin trailer connectors. Part # CLR7MALE-AS is a complete assembly. The other green handle has detachable and wearable parts which are listed in the BOM. ITEM #'s CLR7F-AS, CLLR7FCTR and CLR7HUB (item 3 in the picture). These parts will wear out over time and may need to be replaced.
