

WSCMB - COMBO KNIFE SHARPENER

GUIDE
PP0003419

TAPERED CERAMIC ROD
PP0003404

Item: WSCMB

Description: COMBO KNIFE SHARPENER

Notes: WS Combo Ceramic Honing Rod Replacement Removal 1: Locate the small removal notch behind the Honing Rod. 2: Place a small screwdriver into the slot and gently twist the screwdriver. This will lift the large end of the rod out of the retainer in the housing. Installation 1: Slide the small end of the Honing Rod into the small hole just above the Amber Guide Mark. 2: Press the large end of the Honing Rod down into the Housing. 3: Make sure that the Honing Rod is completely seated into the Housing. 4: Your Honing Rod is now ready for use.
